

## About us

Carole Joy Creations, Inc. is a family-owned business started in 1985 by Victor & Carole Joy Gellineau.

It was started because of a basic need for greeting cards that reflect Black people and their culture. For years Carole designed the family's cards and soon numerous friends began requesting that she illustrate cards for them. This sparked the entrepreneurial interest. Victor, with a degree in business from Howard University, had a long time desire to start a manufacturing company and saw this void in the industry as a golden opportunity. The rest, as they say, is history.

Every year hundreds of organizations use the Carole Joy program to raise money for non-profit causes with most repeating year-after-year. This success is due to the fact that the Gellineaus lead a team of associates who are dedicated to one principle:

***"Your satisfaction is our only priority."***
